SKILL LEVELS - Beginner, Intermediate and Advanced

In an effort to make the competition more equitable, we have added **Beginner, Intermediate and Advanced** skill levels to most categories. Please do your best to choose an appropriate level. As much as we doubt our abilities we are not all 'beginners.' If you have won two ribbons in a category consider yourself to be at the Intermediate Skill Level in that category. If you've won two blue ribbons in a category or if you've also won a Special Award (e.g., Judge's Choice, Best of Show) in that same category, please consider yourself at the Advanced Level. We ask that you choose a skill level for each entry. You may be an Intermediate in one category, but feel you are a Beginner in another.

***Open Skill Level** - Categories listed with this statement means all skill levels (Beginner, Intermediate and Advanced) will compete together.

To showcase your quilt to the best advantage, it may be moved to an appropriate category by the quilt committee.
